# Scott Keltner

Math Teacher  
Eudora High School  
Eudora USD 491

# MOTIVATE

- + Make them proud, they will return the favor
- + Let them DO something
- + Play off of their curiosity—make THEM ask the questions
- + Leave them wanting to know or say more
  - + So they won't want to miss your class
- + Responsible Use of Technology

# My path to teaching

- + College prep classes—no interest in NASCAR
- + Day 1 of student teaching—vroom, vroom
- + Year 2 of classroom teaching—enter Chase Austin
- + Not every race can be driven the same way

# Students that make you look good

## + THE Kyle Snow

- + Electrical Engineering major at Kansas State University
- + National Honor Society member
- + Instrumental in the charge to get a turbine on our campus

- + Summer internship after freshman year with U.S. Department of Energy
  - + Only non-Doctoral candidate accepted for program
- + This summer, Phillips 66 off coast of Louisiana
  - + Able to turn down Koch Industries

# Students want to DO something

- + Technology is enticing, but with due diligence
- + [PollEverywhere.com](http://PollEverywhere.com)
- + [Google Apps for Education](https://www.google.com/apps/education/) (GAFE)
- + Mobile devices (check district policies)
- + One-to-One initiatives
- + Grant programs (or [DonorsChoose.org](http://DonorsChoose.org) even)
- + Blogging & other Social Media (including [TeachersPayTeachers](http://TeachersPayTeachers.com))

# Students want to *DO* something

<http://j.mp/ch6penniesvid>

# Play on their curiosity

+ Make THEM ask the big questions

# Once they leave you

- + If you motivate them, they remember.
  - + Not just the material
  - + How you made them feel
  - + That silly pun you made, the way you dressed, that inside joke
- + Next, Building Relationships with Judy Domke

+ "Stupid Stuff Sticks"

# Our Song

+ You sit and wonder about your future  
You try to imagine the world to be  
You long for purpose and fulfillment  
To find your passion and share your dreams  
So write your story  
And share your talents  
Teach our children and change the world  
Embracing knowledge to touch the future  
Hit the bullseye and saddle up!  
[Ooohhhh...Aaahhh]

+ It's okay to be quite hammy  
"Jessie" what you can do  
Woody, take a chance, engage your senses  
Just watch out, don't get the flu  
So write your story  
And share your talents  
Teach our children and change the world  
Embracing knowledge to touch the future  
Hit the bullseye and saddle up!  
To infinity and beyond
