Our Song

+ You sit and wonder about your future
You try to imagine the world to be
You long for purpose and fulfillment
To find your passion and share your dreams
So write your story
And share your talents
Teach our children and change the world
Embracing knowledge to touch the future
Hit the bullseye and saddle up!
[Ooohhhh...Aaahhh]

+ It's okay to be quite hammy
"Jessie" what you can do
Woody, take a chance, engage your senses
Just watch out, don't get the flu
So write your story
And share your talents
Teach our children and change the world
Embracing knowledge to touch the future
Hit the bullseye and saddle up!
To infinity and beyond
