Ramie Allison

Nelson Elementary School
Haysville USD 261

- + Striving to keep physical education new, fresh, and exciting for students!
- + "It 's inspiring to see my students growing into healthy, happy, confident individuals, and to know that I have made a difference in their lives by teaching them lifelong skills."

ENGAGE

- + Engage students in your class!
- + Movement
- + Cooperation
- + Team Building
- + Problem Solving
- + Social Interaction
- + Review

Scott Keltner

Eudora High School

Eudora USD 491

MOTIVATE

- + Make them proud, they will return the favor
- + Let them DO something
- + Play off of their curiosity—make THEM ask the questions
- + Leave them wanting to know or say more
 - + So they won't want to miss your class
- + Responsible Use of Technology

My path to teaching

- + College prep classes—no interest in NASCAR
- + Day 1 of student teaching—vroom, vroom
- + Year 2 of classroom teaching—enter Chase Austin
- + Not every race can be driven the same way

Students that make you look good

+ THE Kyle Snow

- + Electrical Engineering major at Kansas State University
- + National Honor Society member
- + Instrumental in the charge to get a turbine on our campus

- + Summer internship after freshman year with U.S. Department of Energy
 - + Only non-Doctoral candidate accepted for program
- + This summer, Phillips 66 off coast of Louisiana
 - + Able to turn down Koch Industries

Those who you inspire, inspire you

Tyler, math education major

Jordan, fire sciences major

Bryan, math education major

David, law enforcement major

Students want to DO something

- + Technology is enticing, but with due diligence
- + PollEverywhere.com
- + [Google Apps for Education](http://GoogleAppsforEducation.com) (GAFE)
- + Mobile devices (check district policies)
- + One-to-One initiatives
- + Grant programs (or DonorsChoose.org even)
- + Blogging & other Social Media (including [TeachersPayTeachers](http://TeachersPayTeachers.com))
 - + My personal blog is at: scottkeltner.weebly.com

Students want to *DO* something

<http://j.mp/ch6penniesvid>

Play on their curiosity

+ Make THEM ask the big questions

Once they leave you

- + If you motivate them, they remember.
 - + Not just the material
 - + How you made them feel
 - + That silly pun you made, the way you dressed, that inside joke
- + Next, Building Relationships with Judy Domke

+ "Stupid Stuff Sticks"

Our Song

+ You sit and wonder about your future
You try to imagine the world to be
You long for purpose and fulfillment
To find your passion and share your dreams
So write your story
And share your talents
Teach our children and change the world
Embracing knowledge to touch the future
Hit the bullseye and saddle up!
[Ooohhhh...Aaahhh]

+ It's okay to be quite hammy
"Jessie" what you can do
Woody, take a chance, engage your senses
Just watch out, don't get the flu
So write your story
And share your talents
Teach our children and change the world
Embracing knowledge to touch the future
Hit the bullseye and saddle up!
To infinity and beyond
